

Our Vision & Mission

Vision- For all children to be happy, valued and to reach their full potential & flourish through excellent early years care and learning.

Mission- Early Years qualified and experienced practitioners deliver the highest quality care, early learning experiences and opportunities for the children in our care by recognizing their natural and individual curiosity and interests to guide them through the Early Years Curriculum.

Ethos- A homely environment where all children, their families and our staff team feel valued and respected.

One Life, Live, Learn & Love It!
